### CMP Acrylic Glue bottle 125ml, Glossy finish, 402CA

CMP Primo Acrylic Glue bottle 125ml, Glossy finish, is an acrylic-based glue ideal for decoupage techniques where it has a double function of glueing and varnishing at the same time, it perfectly adheres to surfaces and thanks to its glossiness, it allows for luminous effects and has a protective function, formulated with a high resin concentration so paper remains partially dry, it can be diluted at a maximum water to product ratio of 1:1, once dry it is permanent and cannot be washed off from textiles and surfaces, brushes should be cleaned after usage and stains immediately removed with water, for a perfect long-lasting effect it is highly recommended to wait until the product is completely dry, Made in Italy, code 402CA

Code: AG125MLG402CACMP  
 Bar Code: 8006919394027
