CMP Acrylic Glue bottle 125ml, Glossy finish, 402CA

CMP Primo Acrylic Glue bottle 125ml, Glossy finish, is an acrylic-based glue ideal for decoupage techniques where it has a double function of glueing and varnishing at the same time, it perfectly adheres to surfaces and thanks to its glossiness, it allows for luminous effects and has a protective function, formulated with a high resin concentration so paper remains partially dry, it can be diluted at a maximum water to product ratio of 1:1, once dry it is permanent and cannot be washed off from textiles and surfaces, brushes should be cleaned after usage and stains immediately removed with water, for a perfect long-lasting effect it is highly recommended to wait until the product is completely dry, Made in Italy, code 402CA

Barcode: 8006919394027

Code: AG125MLG402CACMP

Qty: 6

CMP Acrylic Chalk Paste bottle 125ml, White finish, 402GAC

CMP Primo Acrylic Chalk Paste bottle 125ml, White finish, also referred to as liquid gesso, is a dense and white acrylic-based paste to apply as a background for decoration, perfectly suitable to refine paintings and for decoupage works as it adheres to different materials. Once it dries it creates an elastic film which can then be painted over, it can be applied easily with a brush in multiple layers and can be easily sanded. It can also be applied with a spatula to create uneven and structured backgrounds. Once completely dry it is permanent, brushes should be washed immediately after usage, Made in Italy, code 402GAC

CMP Pure Gypsum in bucket x1kg

CMP Primo Pure Gypsum in bucket x1kg is ideal to shape objects and painting substrates, mix together one or two parts of gypsum and one part of water in order for the powder to be uniformly wet and wait a couple of minutes, then mix well to obtain a paste without clumps and pour it into your mould, extract it only after 30 minutes, when the material is hard enough, forms can at this point be painted with water-based products or varnishes, also, by adding some vinyl glue to the water (one part glue for eight parts water) results will be more compact and elastic, in this way the paste can be applied with a spatula on a rough surface to create the background for painting works, do not throw waste into the sink, Made in Italy, code 2000GA

Barcode: 8006919020001

Code: PGB1KG2000GACMP
